22 The matter comes before the Court on Defendants'
23 administrative motion for clarification of the Court's April 10,
24 2015 order appointing Kwan Chan as Technical Advisor in the above-
25 captioned cases. Docket No. 297.¹ In the order, the Court stated
26 that each party shall bear the cost of the Technical Advisor on a

1 per capita basis. As Defendants point out, this contradicts the
2 Court's earlier statement regarding the payment of the Technical
3 Advisor, made at the November 19, 2014 case management conference,
4 when the Court indicated that it would order the parties to pay
5 the Technical Advisor on a 50/50 split, with Plaintiffs paying
6 half and Defendants paying half. Moreover, as Defendants show, a
7 50/50 split is equitable in these cases because the parties will
8 ordinarily file two sets of briefs, one from Plaintiffs and one
9 from Defendants.

10 Defendants' motion is GRANTED and the April 10, 2015 order
11 appointing Mr. Chan is amended as follows: Plaintiffs and
12 Defendants shall split the cost of the Technical Advisor 50/50.
13 Plaintiffs and Defendants shall each divide their half among them
14 on a per capita basis.
